Section 4 (Cont.) *The material facts constituting probable cause that the search should be made are:*

In November of 2021 Augusta County resident RBN, who requested an in-person meeting, contacted Sheriff Smith. Sheriff Smith met with RBN and her 20-year-old son BN on November 11, 2021, at the Sheriff's Office.

RBN reported that her son, BN, had told her that he was sexually abused in Las Vegas, Nevada by Richard Moore in March of 2018 at the age of 16. The abuse continued in Virginia for one and a half years. BN became friends with Samuel Orlando in Illinois where they all lived. The BN family moved to Virginia and RBN soon began working for Nexus. At the beginning of the meeting, Sheriff Smith advised both RBN and BN that their interview and statements would be documented and that the case would be forwarded to the Virginia State Police.

During an interview without his mother present, BN stated to Sheriff Smith that it began in March of 2018 when he got out of Eagle Ranch Academy. He stated that his mom, Richard Moore, and two Nexus bodyguards had come to pick him up and that they had gone to Las Vegas and stayed in the Bellagio Hotel. Moore paid for the entire trip. Richard pulled BN aside and talked to him about making money and how BN could make some money. Moore told BN that if he made him cum, he would pay BN. Moore said he would give BN an hour to think about it. They went to Moore's hotel room and BN took a bath and while he was naked, got in Moore's hotel bed. Moore pulled BN's testicles. BN then said that Moore put on a porn video and began touching him. BN stated that Moore "fingered his ass". BN stated that Moore told him that because he didn't make Moore cum that he wasn't going to pay him. BN said he remembered that Moore's room had two stories and was on the top floor. BN apologized to Moore and Moore took him back to his mom's hotel room. Moore told BN that he could never tell anyone.

The group then flew to New York and stayed in the Trump Towers. BN met Sam Orlando at the hotel. They had a room in the Trump Towers on the fourth floor. BN stated that nothing sexual happened between him and Moore in New York, however, BN and Orlando did "sexual stuff." BN reported that after he came back to Virginia, he was a frequent visitor at 47 S. Windsong, where Richard Moore, Michael Donovan, and Sam Orlando reside,

Two to three weeks after the New York trip, BN was at the home and was called into Donovan's & Moore's bedroom where Richard said that BN had to make them produce or cum. BN stated that he used the word "produce" instead of cum because he thought that it sounded better. Moore and BN had a conversation that Donovan was ok with BN having sex with Moore while he was in the room. BN was offered money as long as he made them both "produce".

BN told Sheriff Smith that the sexual abuse lasted around two years because BN was afraid that they would not let him see Orlando if he didn't. When BN was about to turn 19, he put his foot down and said no more. BN was asked directly by Sheriff Smith if Moore or Donovan ever did anything to him that he said "no" to and BN said that they did not.

Section 4 (Cont.) *The material facts constituting probable cause that the search should be made are:*

BN stated that the sexual encounters always happened in Moore's and Donovan's bedroom except for one time in their living room. The living room encounter happened with Mike Donovan only. Richard Moore had already left for work. BN stated that Donovan always referred to him as "kid". BN stated that Donovan wanted BN to pinch his nipples. BN was apprehensive about being caught in the living room and Donovan told him "come on kid, it will be nice". Donovan then grabbed his head and pushed it into Donovan's crotch. Donovan told BN to open his mouth. BN pulled his head back and asked for a ride home. BN asked if he could see Orlando later and Donovan told him "no."

BN stated that he simply wanted Moore and Donovan to own up to what they did to him. He said, "It was very rude and disgusting. He stated, "I want honesty and accountability which is very hard to get out of those two."

Over the past two years, BN states that he has been sexually active with Richard Moore on 50 to 150 occasions; Mike Donovan on 30 to 90 occasions, and both of them together on 20 to 70 occasions, but he knew it was 35. BN stated that on one occasion BN texted Mike Donovan to see if he could come over to see Orlando and Donovan replied, "Are you coming to see me or the kids?" BN replied, "the kids" and Donovan said no he could not come over.

BN stated that he finally said he didn't want to have sexual intercourse with Moore and Donovan. Sheriff Smith asked BN if he did have sexual intercourse with them ever and he stated, "Yes, they would take turns with me or one would sit in the chair and watch the other one." When BN stated that he no longer wanted to have sexual relations with Moore and Donovan, BN was no longer allowed to see Sam Orlando. BN stated that Orlando didn't seem to care that Moore and Donovan were doing these sexual acts to him. BN realized that Orlando didn't care about him at all and was only worried about his parents getting what they wanted.

According to BN, he and Orlando were intimate before Donovan and Moore. Orlando told BN that it was "only pleasure" for him. Their relationship occurred in Illinois and Virginia and ended when BN turned 16 and Orlando was about to turn 19. Sheriff Smith asked BN why it ended. BN stated that after the conversation with Moore and Orlando in Moore's bedroom that Orlando didn't care about him at all. Orlando acted as if all of the sexual acts were just part of a normal conversation. He felt like he couldn't trust Orlando anymore.

On July 19, 2022, Sheriff Smith asked you, affiant, to contact RBN and BN and ask a follow-up question as to whether or not he was ever asked to send nude pictures or videos to Moore and Donovan, or whether they had requested them. I contacted the BN and he indicated to me that nudes or videos were never requested or sent.

Section 4 (Cont.) *The material facts constituting probable cause that the search should be made are:*

In a follow-up interview of BN on September 1, 2022, BN told Sheriff Smith That every time that he went to Richard and Mike's house they performed sex acts and if he didn't let them finish, then they would send him home.

He spent time with Sam and had dinner with them. They had a room upstairs called the "Game Room". Everyone's bedrooms are upstairs. Sam's room was at the very end of the hall. Zach's room was the first room on the left at the top of the stairs. Mike and Richard would come to Sam's room and say that they wanted to speak with BN alone without Sam. They would knock on Sam's door and then open the door and say "B, we need to speak to you, will you come to our room?" BN would text with Mike and Richard on a phone that he no longer has access to any longer (his mother's Nexus work phone).

BN reported on September 1<sup>st</sup>, 2022 that he may have sent nude photos to them (Donovan/Moore) but he can't remember. BN remembers getting a picture of Mike without a shirt and maybe in his underwear. Richard has Instagram so he thinks they may have communicated that way a few times. BN would text Mike's phone to communicate with Sam because Sam did not have a phone.

According to BN, he stopped counting after the fourth time that the sex acts happened with Richard and Mike. He thinks it was between 50-80 times. He didn't know how to make it stop. It stopped when he was 19 when he finally said something and stopped going over there.

During the interview with Sheriff Smith, BN stated there are surveillance cameras at the home on Windsong, and at the Nexus Complex. BN believed the cameras are always on. He would always see either green or red lights on the cameras while he was walking to their house. According to BN, Sam once mentioned to BN that he had access to all of the house cameras and the Nexus cameras from his phone. Sam once showed BN the cameras from his phone app. BN saw icons for "my house" and "company". Sam clicked on the company and said he could show BN themselves where they were in real-time, which was in the sauna room at the Nexus complex at 113 Mill Place Parkway. Sam told BN that Mike and Richard could turn the cameras on at any time and see them.

BN believes that one time, when he and Samuel were in Mike's office at Nexus, Mike asked him for a blowjob. BN's mom wasn't working at the time so he was there with Sam. Mike locked the door and Mike pulled his pants down and told BN to give him head. He did this in front of Sam. Sam didn't do anything to stop him. Sam just looked at BN and smiled. According to the BN, that was the only time that a sex act happened at the office.

Section 4 (Cont.) *The material facts constituting probable cause that the search should be made are:*

During his relationships with Donovan, Moore, and Orlando, BN utilized his mother's Nexus work phone to facilitate conversations, meetings, trips, and visits with Donovan, Moore, and Orlando.

BN revealed to Sheriff Smith that surveillance cameras are in place inside and outside of Moore and Donovan's residence at 47 S. Windsong Court in Fishersville, Virginia, and the Nexus compound at 113 Mill Place Parkway. BN advised Sheriff Smith that he observed Sam Orlando access these web-based cameras on his phone when the pair were together in the sauna at the Nexus complex.

Your affiant respectfully requests a search warrant for 113 Mill Place Parkway in Verona, Virginia for all electronic devices, including desktop computers, laptop computers, PDA's, Tablets, Smartphones, storage devices, external hard drives, flash memory cards, SD cards, or other electronic equipment that may contain electronic data or files of video surveillance, from fixed camera systems, or remote camera systems such as Google Nest, Arlo, Ring or any other web-based security systems present at the Nexus Complex.

Your affiant also seeks employment records, and cell phone records from RBN, a former employee of Nexus Services, who was dismissed on 11/09/2021. Her son, BN is the alleged victim in this case. These records are sought to corroborate the events reported to police that led to this matter being reported to law enforcement on November 12, 2021.

Your affiant believes that video files from 113 Mill Place Parkway, Verona, Virginia, are more likely than not to be stored on, or accessed by these devices and that the recovery of video files will further the investigation, and provide evidence of BN's allegations of sexual abuse.

Section 4 (Cont.) *The material facts constituting probable cause that the search should be made are:*

During his relationships with Donovan, Moore, and Orlando, BN utilized his mother's Nexus work phone to facilitate conversations, meetings, trips, and visits with Donovan, Moore, and Orlando.

BN revealed to Sheriff Smith that surveillance cameras are in place inside and outside of Moore and Donovan's residence at 47 S. Windsong Court in Fishersville, Virginia, and the Nexus compound at 113 Mill Place Parkway. BN advised Sheriff Smith that he observed Sam Orlando access these web-based cameras on his phone when the pair were together in the sauna at the Nexus complex.

Your affiant respectfully requests a search warrant for 113 Mill Place Parkway in Verona, Virginia for all electronic devices, including desktop computers, laptop computers, PDA's, Tablets, Smartphones, storage devices, external hard drives, flash memory cards, SD cards, or other electronic equipment that may contain electronic data or files of video surveillance, from fixed camera systems, or remote camera systems such as Google Nest, Arlo, Ring or any other web-based security systems present at the Nexus Complex.

Your affiant also seeks employment records, and cell phone records from RBN, a former employee of Nexus Services, who was dismissed on 11/09/2021. Her son, BN is the alleged victim in this case. These records are sought to corroborate the events reported to police that led to this matter being reported to law enforcement on November 12, 2021.

Your affiant believes that video files from 113 Mill Place Parkway, Verona, Virginia, are more likely than not to be stored on, or accessed by these devices and that the recovery of video files will further the investigation, and provide evidence of BN's allegations of sexual abuse.
